NOTE TO PROSPECTIVE STUDENTS

This bulletin is prepared primarily for persons interested in furthering their education through summer study. It contains information about the purpose and organization of the summer session programs, life on the campus, personnel services, buildings and facilities, course offerings, admission procedure, requirements for degrees, fees and expenses, living arrangements, and special features.

Information concerning offerings of the regular session may be found in the regular catalog which will be available for distribution subsequently. This bulletin may be secured by writing to the Office of the Registrar.

Information of special interest to veterans may be secured by writing to the Veterans Secretary, Savannah State College.

Information about Savannah State College as an institution may be secured by writing to the Office of the President.

SUMMER QUARTER

The program of the summer quarter is designed primarily:

1. To afford opportunities for teachers in service to complete degree requirements, renew, upgrade, reinstate or reconvert their certificates, improve their professional status, and enrich their experience for personal growth;
2. To make it possible for students regularly enrolled to pursue their studies the year around, and consequently to complete degree requirements in less than the normal period of four years;

(freshmen) to begin their college work during the summer;

4. To institute special workshops and projects varying according to demands of all of the interested and qualified persons concerned;
5. To serve as a community college for all persons who are qualified to attend and are able to receive benefits from college experience.

The summer quarter is organized into three periods: a regular quarter offering regular college courses; a workshop; and a four-week session providing workshop and special courses for in-service teachers.

SPECIAL FEATURES

1. Outstanding specialists and consultants are added to the summer school faculty.
2. Workshops and short courses are provided to meet the special needs and interests of in-service teachers.
3. An evening session is provided for students who are not able, or who do not wish to attend classes during the day.

who are primarily concerned with vocations.

5. An adult education program is provided for qualified persons not interested in completing degree requirements.
6. The College will offer during the summer quarter any course that is listed in the regular bulletin upon sufficient demand.
7. A rich program of concerts, recitals, lectures, plays and educational tours is planned for the students who enroll at this college for the summer quarter.

THE LIBRARY

The College Library affords an opportunity for students and faculty to have access to publications needed in their varied activities. The library collection now numbers more than 25,000 bound volumes; 340 periodicals and 24 newspapers. So that the student will have an opportunity to utilize all the media of communication in his work, the library maintains a collection of films, filmstrips and recordings covering Methods of Teaching, Child Development and many of the varied subject fields. These aids are housed in the College A-V Center and administered by the Director.

lection in each of the dormitories. These collections include magazines, newspapers, encyclopedias and a few general works.

A discussion group which reviews books and promotes recreational reading is part of the library program. In order to encourage greater use of the books and facilities of the library, both class instruction and on-the-spot aid are given to all students.

LIBRARY HOURS

STUDENT PERSONNEL SERVICES

A broad program is planned to aid students to make adjustments throughout their college careers and to secure employment when they leave. This program includes professional counseling and services to students in the following areas: scholarships, financial aid, health, religious values, social activities, job placement, and general life planning.

WORK AID

Students who are worthy and industrious may

employment provided they maintain high standards of work and satisfactory scholastic averages. Most of these jobs are on the campus, but placement is made also in the City of Savannah and its environs. Applicants for work should secure blanks from the Student Personnel Office. Students are assigned to work only after they have been admitted and have arrived on the campus. Work assignments are made in the Office of the Director of Student Personnel.

LIVING ARRANGEMENTS

Accommodations for one hundred and seventy-five women are available in Camilla Hubert Hall. Activities are supervised by the Dean of Women and the dormitory head resident.

A new men's dormitory provides accommodations for two hundred and ten men. Dormitory life for men is under the direction of the Dean of Men and the head resident.

Practice in democratic living is provided through dormitory clubs in each resident hall.

RELIGIOUS LIFE

The campus community is enriched by a religious life program under the supervision of an

give students opportunity to develop skills and interests outside the classroom.

INFORMATION FOR VETERANS

All the curricula of Savannah State College, including the one for special trade students, are fully approved for Korean veterans as well as for veterans of World War II.

In order to assist the large number of veterans who attend Savannah State College, a special staff worker, in the capacity of the Veterans Secretary, is employed. Before and in the process of registration, he assists in forwarding accurate information to the Veterans Administration. Throughout the year he counsels and informs veterans about regulations and directives peculiar to their status.

Each veteran who is enrolling for the first time is urged to forward his Certificate of Eligibility (VA-Form 1950 and VA Form 71990 July 1952 for Korean Veterans) to the Office of the Veterans Secretary. Any veteran who does not have his approved VA Forms at the time of initial registration will be required to make a deposit of \$40.50. This deposit will be refunded when the Certificate of Eligibility is presented to the Veterans Secretary.

School, conducted jointly by the students and faculty, and a formal worship hour with a choir and clergy. Recognized ministers of Savannah and environs often serve as guest ministers.

Personal religious counseling is available and pastoral care is a continuing service for the College community, irrespective of denominational affiliations.

RECREATION AND SOCIAL ACTIVITIES

Many activities supplement formal education at Savannah State College. In addition to the regular religious and various cultural opportunities provided through assemblies, and the lecture and lyceum series, there are many extra-class activities, such as: orchestra, glee club, quartets, choir, student papers, sponsored by classes, clubs, Student Council, special interest groups and the Student Personnel Department.

Informal socials are held regularly in the campus recreational rooms. Hikes and tours provide many pleasant hours of recreation.

A special feature of the Summer Quarter is Play Day, which provides an opportunity for all students to take part in a period of play and recre-

advance. Veterans who have not completed arrangements for subsistence payments must pay room and board from their own funds until such time as subsistence payments are received.

STUDENT CONDUCT

Each student enrolled at Savannah State College is expected at all times to exemplify a due respect for order, morality, and the rights of others.

The College reserves the right to exclude at any time any student whose conduct is deemed improper or prejudicial to the welfare of the College community.

ADMISSION

The following is a condensed statement of admission requirements. For a complete statement the prospective student should refer to the annual catalog.

Persons who are at least 15 years of age and who present evidence of good moral character, adequate ability, sound health, and interest in a specific course of study are eligible to apply for admission to the several departments of the College.

for admission is required to make formal application and thereafter submit such credentials as may be needed to support the application. Admission correspondence, including requests for application blanks, should be addressed to the Registrar, Savannah State College, State College Branch, Savannah, Georgia.

Transcripts and recommendations should be mailed directly from the applicant's former school to the Registrar.

To be assured due consideration for admission during any quarter, each applicant should see that all required credentials are submitted to the Registrar at least six weeks before the quarter begins.

Admission to the Freshman Class—An applicant may be admitted to the freshman class by certify that he has graduated from an accredited secondary school, or he may qualify for admission through examination administered at this College.

Admission with Advanced Standing—A limited number of transfer students may qualify for admission each quarter. Each applicant who has attended another college shall present the following credentials to support his application:

- (b) Official transcripts covering the complete college and secondary school records.
- (c) A personal letter giving full explanation of the applicant's reason for desiring to transfer to Savannah State College, his work experience, studies, activities, special interests, and plans for the future.

Transfer students should note that courses completed with grades below "C" at another institution may not be counted toward advanced standing.

Admission and Registration Procedure

Each student enrolling in the Summer Quarter for the first time is required to complete the following steps in the process of admission and registration:

1. Fill out the Application for Admission, which is obtained from the Registrar. Return the application to: The Registrar, Savannah State College, State College Branch, Savannah, Georgia.
2. Obtain the Official Notice of Admission from

3. Complete the following details of registration in person at Savannah State College on the date scheduled for registration:

- 1) Students confer with advisor, secure cards and work out class schedule.
- 2) Pay fees at Comptroller's Office.
- 3) Pick up class cards at Registrar's Office.

Students are cautioned that: (1) a student who fails to attend a class or who incurs excessive absences, shall be penalized according to current attendance regulations; (2) a student who attends a class that is not listed on his official program in the Office of the Registrar shall receive no credit for the course.

Continuing students at Savannah State College will be granted the privilege of completing registration by mail. Information on this procedure should be requested from the Office of the Registrar. A non-refundable \$5.00 deposit is required for this service.

Persons wishing to reside on the campus should

Normal costs of books and supplies approximate \$30.00 per quarter. Students are required to secure all books, supplies and tools necessary for satisfactory completion of the courses for which they are enrolled.

All fees are due and payable at the time of registration. Students are required to meet their financial obligations promptly as a condition of their remaining in college. Students granted scholarships or workaid will be notified in writing and credit will be made to their accounts accordingly.

Veterans coming to Savannah State College should bring with them sufficient funds to pay all

fees as indicated on the Schedule of Fees.

EXPLANATION OF FEES

GENERAL DEPOSIT. Upon initial registration each student will be required to make a general deposit of \$10.00. This charge will be applied to the student's account but will be retained by the institution as a general deposit so long as the

draws or completes his course of training, this deposit will be returned to the student, less any charges that may have been assessed against the deposit for such things as keys, library books not returned, laboratory or dormitory breakage, unpaid fees, etc.

GRADUATION FEE. A charge of \$10.00 to cover the cost of diploma and rental of cap and gown—payable upon filing application for graduation.

HEALTH FEE. A charge of \$3.00 per quarter is required of each student to finance limited clinical services, bed care in the infirmary for minor illness and general dispensary care.

LATE REGISTRATION FEE. Students who fail to register on the regular registration day will be charged late registration fee of \$3.00 for the first day and \$1.00 each for the second and third days, the total not to exceed \$5.00.

MATRICULATION FEE. The charge for matriculation is \$45.00 per quarter for students registering for twelve (12) or more quarter hours. Students registering for less than twelve (12) quarter hours will be charged matriculation fee at the rate of \$3.75 per quarter hour.

dence outside of Georgia, registering for twelve (12) or more quarter hours will be charged non-resident tuition of \$100.00 per quarter.

Students with resident outside of Georgia, registering for less than twelve (12) quarter hours will be charged non-resident tuition at the rate of \$8.00 per quarter hour. See Regents' Regulations below.

DEFINITION OF NON-RESIDENT

"The Board of Regents has established a non-resident fee which is applicable to all students determined not to be legal residents of the State of Georgia. The Board of Regents has also established a definition of legal resident which reads as follows:

"(a) If under 21 years of age, that the parent (or guardian) is a bona fide resident of the State of Georgia for at least one year next preceding the registration date.

"In the event that a legal resident of Georgia is appointed as a guardian of a non-resident minor, such minor does not become a resident until the expiration of one year from the date of appointment, and then only upon proper showing that

resident fee.

“(b) If over 21 years of age, that bona fide residence in the State of Georgia has been established at least one year next preceding registration and that he is eligible to become a registered voter. No person shall be deemed to have gained or lost residence while a student at an institution of the University System.”

ROOM, BOARD AND LAUNDRY. All students living in the dormitories are required to eat in the college dining hall. The charge for room, board and laundry is \$155.00 per quarter for women students and \$161.00 per quarter for men students. The dining hall does not maintain a diet table. Students who do not need all three services (room, board and laundry) must make arrangements to live off campus.

SPECIAL EXAMINATION FEE. A fee of \$1.00 is required for each special, delinquent, or validation examination. Arrangements for such examinations must be made with the Dean of Faculty.

STUDENT ACTIVITIES FEE. A student activities fee of \$8.00 per quarter is required of each student. The Student Activities Committee has authority in assignment of funds from this source

student needs.

TRANSCRIPT FEE. No charge is made for the first transcript issued at the request of a student. A fee of \$1.00 will be charged for each additional transcript.

WITHDRAWAL AND REFUND OF FEES

A student who wishes to withdraw must secure permission to withdraw from the college. The procedure for withdrawal is as follows:

1. The student must secure forms for withdrawal from the Office of Student Personnel and confer with the Director of Student Personnel.
2. The student will then confer with the Director of Summer School and secure his endorsement of the request for withdrawal.
3. The student will then take the request for withdrawal to the Registrar for final action.

Students ill at home or otherwise not able to follow this procedure should write or have some one write to the Director of Student Personnel requesting permission to withdraw.

No refund of fees for any term will be authorized unless the foregoing procedure is completed before

non-resident fee are subject to the refund policy adopted by the Board of Regents, January 20, 1947, as follows:

“For students who withdraw during the first week after registration for the quarter, 80% of the fees may be refunded; for students who withdraw during the second week a refund of 60% will be made; for students who withdraw no later than the end of the third week following registration, a refund of 40% may be granted; for students who withdraw during the fourth week following the scheduled registration date, a refund of 20% will be granted. No refund will be made to students who withdraw after the end of the fourth week following registration.”

Students who register for the 6-week or 4-week term only may receive a refund of 50% of their fees if they withdraw within one week from the last day of registration.

Room, board and laundry charges will be made through the end of the week during which the student withdraws. A student who wishes to withdraw from the dining hall and dormitories must secure a permit from the personnel dean. This permit when submitted with the dining hall meal book will entitle the student to a refund.

The curriculum of Savannah State College is organized into two major programs. The first major part, THE GENERAL CURRICULUM, consists of the General Education Program. The second program constitutes three instructional divisions: Arts and Sciences, Home Economics and Trades and Industries. In addition, the College provides a Division of General Extension which primarily concerns itself in offering courses through correspondence. All of the curriculums in the three instructional divisions offer courses leading to the Bachelor of Science degree. For detailed information concerning divisional offerings see the regular bulletin.

GENERAL CURRICULUM

The general curriculum is a part of the experience of all students who matriculate for a degree at this College, effective September, 1953. Consequently, all regular students must enroll in the general curriculum during their freshman and sophomore years, irrespective of their major preference (major field). They are assigned to the members of the General Education Committee for advisement.

All beginning students must take the Freshman

gardless of the time in which they are admitted. In addition, all sophomores are expected to take the Sophomore Comprehensive Examinations, including the English Qualifying Test, prior to final admission to a curriculum in the senior college.
